

*Bakersfield*  
**River Run**  
  
**RV Park**

To those staying in the park:

We are constantly evaluating and monitoring the current Covid-19 pandemic and the related regulations and guidelines. Having to close and limit access to the park amenities is not something that we wanted to do.

We are thankful that the California Department of Public Health and the Governor's office released guidelines that will be effective Friday June 12, 2020. I would also like to thank the Kern County Health Department for approving the state guidelines. Their approval is allowing us to relax many restrictions and open a few of the park amenities. The last few days we have been working hard to get everything prepared to reopen as much as possible while still following the guidelines.

The following page outlines the status of park amenities and procedures that will take effect this Friday. If you have any questions or if there is anything that we can do to make your stay here more enjoyable please call us at 661-377-3600 or email [info@riverrunrvpark.com](mailto:info@riverrunrvpark.com).

Thank you again for choosing to stay at Bakersfield River Run RV Park.
